FOR IMMEDIATE RELEASE

Velox Ranks No. 28 on Inc. Regionals: Southeast List of Fastest-Growing Companies

The Huntsville-based telecommunications contractor has an average growth rate of 390% over two years

HUNTSVILLE, AL – (April 1, 2025) – *Inc.* Magazine today named Velox as No. 28 on its annual *Inc.* Regionals: Southeast list, the most prestigious ranking of the fastest-growing private companies by region. As a part of the *Inc.* 5000 franchise, this list recognizes the most successful companies from Arkansas to Florida, which collectively generated a total of \$8.0 billion in revenue for the Southeast economy.

"As repeat honorees on the *Inc.* Regionals list, we're thrilled to have our team recognized once again for their hard work," says Tom Counts, CEO of Velox. "This recognition is a testament to both the dedication of our employees and the strength of our partnerships. We've grown quickly, but we've remained committed to strategic growth, ensuring we still deliver quality fiber networks and a seamless experience for our customers."

Velox achieved a 390% growth rate from 2021 to 2023, making it the regional list's fastest-growing telecommunications company and second fastest-growing company in Alabama across all industries. The company continues to broaden its service offerings to meet the increasing demand for fiber networks, both in the Southeastern region and beyond. Since its founding in 2019, Velox has built a reputation as a trusted partner in every phase of delivering telecom infrastructure, from underground and aerial construction to engineering and closeout processes.

"We aren't just building infrastructure," Counts says. "We're helping connect communities and pushing economic development. Looking forward, we will continue setting standards in network construction and engineering as we meet the demand for connectivity."

Companies on the *Inc.* Regionals: Southeast list showed a median growth rate of 114% and added 11,493 jobs to the local economy. Complete results of the *Inc.* Regionals can be found at [Inc.com/regionals/southeast](https://www.inc.com/regionals/southeast), starting April 1, 2025.
