Velox Celebrates Five Year Anniversary

The Huntsville-based telecom contractor marks five years of expansion and innovation in fiber deployment

HUNTSVILLE, AL – (October 31, 2024) – Velox, LLC today celebrates its five-year anniversary of building quality fiber optic networks throughout the country. Since its establishment in 2019, the company has become a key partner for providers working to close the digital divide.

Beginning with projects in Tennessee and Alabama, Velox has expanded over the years into Arkansas, South Carolina, Texas, and as far west as Colorado and Arizona. Along with expanding its market presence, the company also expanded its engineering and design offerings through Velox Professional Services. This new division of Velox allows for network design that can be seamlessly integrated into realistic construction plans, saving time and costs.

“We’ve experienced tremendous growth over the years, with a three-year growth rate of 871%,” says Velox CEO Tom Counts. “As we’ve grown, our team strategically developed opportunities to improve services and offer as much value as possible to our customers.”

Key Milestones

Velox strives for excellence, and that dedication has been recognized over the years by organizations including *Inc. Magazine*, *Broadband Communities Magazine* and the American Business Awards®. Several notable milestones include:

- Named 507 out of 5,000 companies on the 2024 *Inc. 5000* list
- Recognized on the 2024 *Inc. Regionals: Southeast* list
- Named a 2024 and 2023 Top 100 FTTH Contractor by BBC Magazine
- Received a 2024 Stevie Award® by American Business Awards®
- Received a 2023 Avetta Safety Star Award

“No matter what the future holds, Velox will continue doing business the Velox Way: bringing high-quality services while never sacrificing integrity, safety, expertise, and a personal touch in all we do.”
